2. The Mys: Comr. proposes that the current year's cost may be met from the provision in the budget viz Rs 6300 for the revision of the College and dispensaries.

No. C.1867-24-21 Office of the Muzrai Commissioner in Mysore.

Dated Bangalore, 16th September 1924.

From

K. Chandy, Esquire., B.A.,

Muzrai Commissioner in Mysore,

Bangalore.

To

K. V. Anantaraman, Esq., B.A.,

Secretary to the Government of

His Highness the Maharaja of Mysore,

Revenue Department.

Sir,

I have the honor to submit herewith for orders of Government Copy of letter No.36 dated 5th August 1924 from the Head Master, --- Ayurvedic College, Mysore, giving cover to a resolution of the Committee recommending that the value of scholarship tenable during the 1st year may be raised from Rs.8/- to Rs.10/- a month and that the -- number of scholarships may also be increased to 8 in each class and to state as follows.

In conformity with the instructions conveyed in Government -- Proceedings No.1-42 dated 6th October 1908 the college will always -- consist of 4 classes and the --- number of scholarships will be -- five in each class as per details in the*margin. As the majority of students studying in the college are outsiders and as the hotel charges have considerably risen in -- recent years, the committee recommend that the rate of the first --- years scholarship may be raised to Rs.10/- a month, the rates in ---- respect of the remaining 3 classes remaining the same.

*1st year	Rs.8/-	each.
2nd "	" 10/-	"
3rd "	"12/-	"
4th "	" 12/-	"

As the present rates were fixed so far back as 1908 and as the bulk of students are poor and come from distant parts of the country, I beg to recommend that the committee's resolution may be approved, the additional expenditure of Rs.120/- required during the current year -- being met from the sum of Rs.6300/- provided for revision of the ---- College and Dispensaries.

As regards the increase in the number of scholarships, I am of opinion that it may be more advantageously considered in connection -- with the contemplated revision of the College.

I have the honor to be,

Sir,

Your most obedient servant,

Chaudy

Letter No.36 dated 5th August 1924 from the Head Master, Ayurvedic College, Mysore to the Muzrai Commissioner in Mysore.

KSR.

Ayurvedic Committee assembled at a meeting held on the 1st of August 1924.

"As the stipendary students of the College after complain to the members of the Ayurvedic Committee that the scholarship of Rs.8/- that they get during the first year, is not enough for their feeding charges, as the hotel-rates are higher, and as several of these students have come from distant parts of India, to study Ayurveda in the Mysore Government College, so the Committee recommend under the circumstances to increase only the first year scholarship from Rs.8/- to Rs.10/-.

As there are only 5 scholarships sanctioned now, the total extra expenditure will be Rs.120/- per year.

The influx of students to this College has been showing a tendancy to increase, and the students who are always poor, come from distant parts of the country, are subjected here to much hardship for their food. The Committee therefore recommend for an additional increase of these more scholarships, making a total of 8, instead of the present 5- This will entail an additional expenditure of Rs.1584/- for a year. This could be met from the amounts sanctioned in the current budget."
